## Hotel Equatorial Ho Chi Minh City Celebrates its 20th Anniversary in September 2016

Hotel Equatorial Ho Chi Minh City opened in September 1996 with the intention to provide high service standards to corporate professionals, and it did just that and soon became a favourite for corporate and leisure travellers alike. Since then the hotel has proudly been the preferred venue for many dignitaries, business associates, elegant weddings and impressive corporate events.

On 14 September 2016, the hotel celebrated its 20th anniversary with pomp and splendour, where invited dignitaries, loyal customers, suppliers and long standing friends of the hotel, were treated to a 5-star entertaining show, which even included a special performance by Vietnam's superstar Hien Thuc.

During the event, the General Manager, Mr. Siegfried Steindl, thanked all guests for their support and reaffirmed the Hotel's commitment in maintaining the highest hospitality standards. "Today in 2016, on our 20th Anniversary, I am glad to announce that we are not slowing our pace and are already making plans to continue to innovate, upgrade and improve our business to stay competitive and successful for the next 20 years", Mr. Steindl added.

The celebration and the Hotel's commitment of high standards were all befitting the anniversary slogan - **20 Years of Dedication**.

As part of the Hotel's ongoing Community projects and Social Responsibility Programme, a charity auction was held during the event, in support of 'Future Disability Special School of District 5', raising a total of VND21,950,000. The monies raised will be used to provide nutrition to the children attending the school. Throughout the educational year, the school will receive regular donations of fresh produce including fruits, vegetables and milk.

The Hotel has been running a several promotional offers to commemorate its anniversary and even 20% off for dining and spa treatments throughout September. In October, new gym members will receive an additional one month membership for free!

*Hotel Equatorial Ho Chi Minh City is located in the heart of the city. Known for warm hospitality and excellent customer service, the hotel offers extensive business, meeting and recreational facilities.*
